

A CULT. A MOVEMENT. A COMMUNITY.

Executive Summary – Why KHORA? Why Now?

KHORA is not just another memecoin. It is a cultural revolution built on Solana. With its 20-round presale structure, KHORA guarantees constant hype, progressive price discovery, and community-driven growth. Investors gain trust from locked liquidity, transparent vesting, and a roadmap designed for both hype and utility. KHORA is where culture meets finance.

1) Tokenomics – Designed for Trust & Growth

Category	Allocation	Amount (Tokens)	Rationale
Community Incentives	10%	10B	Rewards, airdrops, events
Presale	20%	20B	20 rounds; creates constant hype
Liquidity (locked)	50%	50B	12-month lock, ensures trust
Reserves & Partnerships	5%	5B	Strategic collaborations
Marketing & Ecosystem	5%	5B	Fuel for KOLs, cross-collabs
Team	10%	10B	12m lock + 12m vesting; long-term aligned

2) Presale – 20 Rounds of Hype

KHORA's presale runs across 20 rounds. Each round sells 1B tokens. Price starts at \$0.00010 and increases by \$0.00001 per round, reaching \$0.00029 at the final stage. Every round completion is a milestone, a viral announcement, and a new wave of FOMO.

3) Vesting & Security – No Rug, No Games

• Presale: 20% TGE + 8 months (10% monthly) • Team: 12m lock + 12m linear vesting • Liquidity: 50% supply locked for 12 months • Public LP lock proofs & independent audits • Anti-bot & anti-snipe protections at launch

4) Roadmap – From Meme to Movement

Q4 2025: Website, Presale, LP lock, DEX listing | Q1 2026: 25K holders, NFT collab #1, Dashboard Alpha, CEX apps | Q2 2026: Staking v1, DAO-lite, Tier-2 CEX, IRL campaign | Q3 2026: Dashboard v1, NFT collab #2, 50M liquidity depth | Q4 2026: Formal DAO, global brand campaign, multiple listings

5) Marketing – Chad-Level Execution

• Global KOL campaigns with measurable KPIs | • Cross-community collabs with meme giants | • Viral content on X, TikTok, Instagram | • Real-life branding activations & sponsorships

6) Risks – Transparency First

Crypto investments carry risks. KHORA mitigates them with transparency, but investors must consider: Market volatility, Presale fatigue risk, Whale concentration (mitigated by vesting), Regulatory changes, Execution delays on roadmap milestones.

7) Closing Statement – The Digital Agora

KHORA is not just a token. It is a CULT, a MOVEMENT, a COMMUNITY. It is the digital Agora where CHADs gather, memes gain meaning, and culture meets finance. ■ JOIN THE CHADS – \$KHORA
